

SAFE HAVEN WEST SIDE BASKETBALL LEAGUE VOLUNTEER FORM

TO: PLAYERS IN HIGH SCHOOL

Want more time on the court?

Players can earn community service credits on Saturdays and Sundays by serving as referees, assistant coaches, score/timekeepers, or Special Needs buddies.

It's a terrific experience helping younger players learn the game, and it's fun. Volunteering is also a great plus on college applications (and can provide lively personal essay material).

Copy, complete and return the form even if you aren't sure of your schedule. You will be contacted about a volunteer placement.
