## ERICA SANBORN SCHOLARSHIP FUND

Erica Sanborn spent countless hours as a volunteer teaching various sports to children and adults with special needs. The Safe Haven West Side Basketball League (SHWSBL) and its Champions Division were fortunate to have Erica work with our participants for six basketball seasons. Erica could connect with the most challenging children and make their day/life just a little bit better.

In her memory, the SHWSBL has established the *Erica Sanborn Scholarship Fund* to assist families with financial needs who wish to enroll their special needs children in the Champions Division. Erica Sanborn will never be forgotten for her years of dedication to the families of the Safe Haven West Side Basketball League.

*All contributions are tax-deductible. The Safe Haven West Side Basketball League is a project of The Resourceful Family, Inc., a nonprofit 501c3 organization. ID #13-3165749)*
