

**The Safe Haven West Side Basketball League is beginning its 32nd season.**

Designed to provide neighborhood children with a safe supervised recreational activity during the winter months, the League consists of youngsters ages 8 – 18 who attend public, private and parochial schools and truly reflects the diversity of the West Side. Our Special Needs Champions Program, now in its 21st season, includes young children, pre-teens, teens and young adults from the five boroughs.

We are inviting businesses, organizations and individuals to show their support of the children in the community by sponsoring a team.

The cost of team sponsorship is \$500.00; the benefits in free advertising and community goodwill are priceless. Team sponsors will have names placed prominently on team uniforms and our newly reconstructed website will feature links to our sponsors' sites.

As always, we appreciate your continued support.
